THE ROYAL RESIDENCY  
ROSEWOOD, ÜBERSTADT

Honorable Sôgmô, Comrade, My Brother:

I accept with great thanks and return your greetings as a brother, Social System leader, Sandum citizen, and friend. I will be pleased to pay a state visit to Quercus Candida on the dates named in your invitation.

Überstadtis share with the Sandum people a joyful view of autumn as a time for familial bonding and preparing for seasons to come. I look forward to participating in the Armilustrium with you and your colleagues. I will bring books of significance to my people, as well as to me personally, in order to be washed.

I am honored by your kind hospitality and will be glad to stay with you at the *Appartement du Sôgmô*.

Your Good Brother,
